

“Since 2010 Root 66 Service has been caring for our home Aquascape features, we trust them very much, now they maintain living-walls too!!!” – Mac Ryan

“The Root” Living Wall and HydroAquaponic System’s Service Plan

Our Living Walls and Hydroaquaponic systems require little maintenance. However, for those who desire a "hands off" approach we offer: weekly, biweekly, or monthly maintenance and yearly service plans.

During a routine service call: our staff will perform a complete system check and flush, perform a chemical water QA/QC, remove unwanted debris, clean the pump and filter area, clean/check lights, fans & ballast, apply plant nutrients (as needed), Adjust pH-TDS-EC-PPM, and add/change water.

- **OPTION 1 Routine Single Service Call includes:** (Service charge, hourly rate, plus materials)
Root 66 recommends a minimum of 1 routine call per month. Service charge of \$75 per man hour, and a minimum material cost of \$55. Nearly all weekly service calls are 4-6 man hours plus material. **Call to schedule 2-3 weeks in advance. (Average cost = \$550 per system per call)
****EMERGENCY RESPONSE CHARGE may apply if needed ASAP.**
- **OPTION 2 Total Clean -Out Single Service:** (Service charge, hourly rate, plus materials)
Root 66 recommends a minimum of 4 Total Cleanings per year. \$100 service call charge and \$100 per man hour thereafter. Needed material costs will be applied as determined during service visit. Average cleaning takes 8-10 man hours per system. Filter material and water additives for Living Walls and Hydroaquaponic systems average \$100; average-total clean-out cost = \$1200-\$1850 per system per call. **Call to schedule, 2-3 weeks advanced notice please or Emergency Response charge may apply.
- **OPTION 3 Seasonal Services (March and November):** (One charge \$4500, 75% due up front)
Focused around the late fall and early spring seasons. Two MAJOR top-to-bottom cleanings!
***We call you to schedule, second/ fall cleaning remainder of balance is due!!!

**** ***** Enjoy a 10% Discount on whole season agreements paid up-front! *****

“The Root” Living –Wall and HydroAquaponic System’s Service Plan con’t

- **OPTION 4 Peace- of- Mind Package Includes: OUR BEST VALUED PACKAGE!!!!!!!!!!**

Root 66’s best package for the value. We always care for the systems as if it was our own feature, but with this plan you get the works! Staff performs ALL routine QC/QA tests. There is a minimum of 2-4 calls per month during “prime-season” and monthly between/after that.
